NAVE

The NAVE collection is centred around a material driven narrative celebrating Australian manufacturing and flexibility. Inspired by architectural drawings of timber framed boats and expressionist Bauhaus artwork. Exploring the minimum structure required to support the upholstery treatments and linking the frame together with a continual silhouette. The comprehensive NAVE collection extends to an armchair, lounges, tables, shelves, stools and a modular seating system.

NAVE
COLLECTION

Designed as a family - Linking the products through materiality and flexible upholstery.

NAVE
COLLECTION

A continuous line - The visible steel frame celebrates the construction of the product, allowing open customisation to texture colour and fabrics.

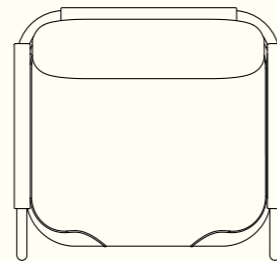

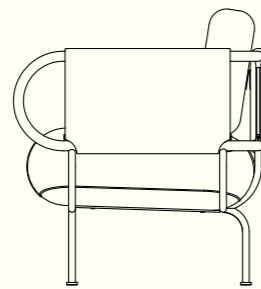

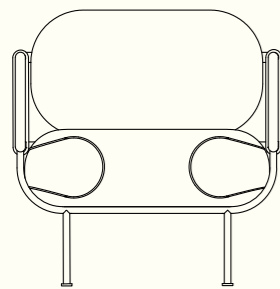

Refined details - Unique functional details, celebrating premium materials and craftsmanship.
